LANGUAGES KNOWN

- English

- Tamil

MINI PROJECTS

- **[Virat Kohli Tribute page](#):**
  I developed my first static website as a tribute to former Indian cricket captain Virat Kohli. It highlights his achievements and contributions to the sport.

- **[TV show project](#):**
  I developed my first API project to fetch and display TV show data, showcasing my ability to work with external data sources.

- **[Yelpcamp:](#)**
  YelpCamp, my first full-stack project, is a web application designed to allow users to add new Campgrounds, update campgrounds and even delete campgrounds and post review for the existing ones.

- **Zen – A Ecommerce website:**
  Zen is a comprehensive e-commerce web application tailored for both sellers and customers. As my first full-stack project, it offers a broad array of features and interactions. The development of this project is ongoing.
